Partnership public transport & moovel

Winning new customers

- ✓ Open new target groups
- ✓ Access to over 1 Mio. customers
- ✓ Co-marketing activities
- Sharing of user data with public transport agency, as fare privacy protection allows it.

 ✓ moovel fully finances the development and deployment of the system
✓ Secured payments through moovel

Strong partnership

factoring

- ✓ Building trust trough long-term conditions
- ✓ Scientifically evaluated pilot phases

moovel

User benefits

Single Sign One

✓ Register once and get access to car and bike sharing, public transport & taxi services

- ✓ Move from city to city with only one app
- ✓ Pay everything cash-less with your mobile account
- ✓ Use different payment profile for business and private trips
- ✓ Have all your mobility cost in one single invoice

Innovative. Efficient. Transparent.

Thank you.
